Chamber of Commerce Directory

We are putting together a Chamber Directory that will be mailed out in September to the Princeton and Lowry Crossing zip codes. These directories will reach over 10,000 potential customers! Ads are available in the directories, but space is limited. We will be sending more information regarding ad sizes and costs via email. These ads will be sold on a first come, first serve basis. This directory will be

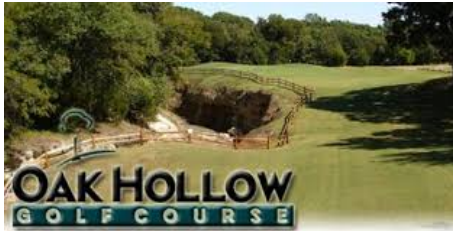

printed annually and will include full page, half page, quarter page and 1/8 page size ads. Deadline for ads is August 1st.

ALL Chamber Members will be listed in this directory at NO CHARGE!

With over 7500 homes being built, can you afford NOT to advertise your business?
